1. Late orders may not be accepted. If your order can't be processed in time, you will be notified with other options.
2. This services offers High Speed Internet connection via wireless or wired Ethernet. Internet connection speeds will be 1.5 Megs upload and download speed burst able. Unless otherwise stated, all IP addresses will be private DHCP protocol. Public and static IP addresses are available (additional charge for static IP). Wireless Internet installations are based on a first come, first serve basis.
3. The Minimum requirements for “wireless Internet” installation are as follows:  
 One empty Type II 16 bit PC card slot & Windows operating system (95, 98, 98se, 2000)  
 Windows ME & Apple OS is supported only with pre-installed Ethernet port or pre-installed 802.11b wireless Ethernet card.
4. Wow Technologies and the Cajundome will not be held responsible for loss of data or revenue resulting from the installation and use of the High Speed Internet Connection. All services are offered “as-is”. Additional computer assistance is available at market rates.

*\*Payment in full, must be received before service will be activated.*

**For more details or information not listed, please contact the Service Desk at (337) 265-2222**
